

Mingara's Fundraising Seminar for Community Groups

Nicknamed the 'Fundraisers Friend', Warren Price has worked with a multitude of high profile organisations, raising millions of dollars for various charities and not-for-profits. Warren is syndicated on 32 radio stations through the 2SM network and is distributed on all 157 Community Radio stations.

We know realistically we cannot help every group on a one on one basis but through this seminar we can help all our local groups develop the techniques and strategies that will give them the edge when it comes to attracting funding.
